1. POLICY RATIONALE

Learners are expected to complete the homework given to them by teachers as and when the homework is given

2. POLICY

- Homework may be given by educators on a daily basis or whenever they deem it necessary
- It is compulsory for learners to complete given homework in the required time period, unless such homework is indicated as optional
- Learners are not allowed to copy homework from each other (this will lead to demerits)
- Learners should write down the homework given in their school diary
- Each grade head is responsible for controlling the quantity of homework that is given by educators on a daily basis
- The learner's school diary should be signed and controlled by a parent/guardian on a daily basis
- Learners will receive a demerit should homework not be done
- Homework should be done in a neat and legible fashion
- One or two assignments will be given during a term which will form part of the learner's SBA
- Should no formal homework be given, learners should revise the day's work at home

3. AMENDMENTS TO POLICY

The School reserves its right to deviate from this policy if it deems it necessary or appropriate and to amend this policy from time to time in accordance with any changed policy considerations of the School or legal developments
