Holiday Care Report:

It has been our privilege as the aftercare team to be with these little ones during this past school holiday. I would like to thank all the parents for co-operating with us. We worked together as a team to ensure that there were no injuries but an absolutely fun holiday aftercare. The children had a wonderful and well-deserved break that refreshed them for the second term of the academic year.

Parents were extremely happy with the service that we provided, more especially, our new parents who joined us recently. They have been sending WhatsApp texts and messages to show how grateful they are.

On behalf of the aftercare team, we are super excited to have our children back for second term and we are looking forward to providing the best service to our parents.

Please see the attached below of the art craft, carnival day and how we wrapped up our holiday care with the surprise Easter egg hunt for our little ones.
