## Monthly Newsletter

### WORD FROM THE EXECUTIVE PRINCIPAL

Dear Parents/Guardians

15 October 2024

Welcome to the last term of 2024. Exams are on our doorstep and here are some tips to our parents: Your job as a parent is to help your child achieve the optimal balance between being too relaxed and being paralysed by anxiety. Try to listen, absorb, and contain the distress of your child through affirmation and reassurance. Make sure they know that their worth to you and others is separate from their achievements. Think back to your own youth and remember that when the worst happened, it usually wasn't as bad as you expected: it's what you did next that made the difference. Engaging with challenging experiences such as finals and important exams is essential for young people to develop internal skills and resources, and will provide them with the confidence and emotional resilience needed to cope with the future challenges of work and adult life.

Mrs K Walker

# More Royal Schools news!

## Primary school news:

We want to welcome Gr 1B teacher Ms Juanita Alberts to the Queens Family.

## High school news:

Exam time is a very stressful time for learners as well as parents. We, as parents, want to support our children as far as possible. Every child will have a different approach to learning that works for them. Therefore, with this in mind, here are our tips on how parents can help their children to revise effectively:

1. Know your child's exam timetable.

Encourage your child to make a revision timetable – and stick to it.

2. Ensure your child has a proper place to study.
3. Make sure your child gets enough sleep.
4. Encourage a healthy routine of breaks, exercise and balanced meals.

## Matric Award Ceremony

*Our Annual Matric Award's Ceremony was held on 20 October 2023. Congratulations to our amazing Matrics on their achievements and a big thank you to their parents for attending.*
