WELCOME TO ROYAL SCHOOLS PRINCESS PARK!

Dear Parents and Guardians

Welcome to the Royal Schools Family. This family was born in 1993 as one of the first affordable private schools in South Africa, and 32 years later there are 13 schools on 5 campuses, with 6536 learners and 423 staff members.

At Royal Schools we offer affordable quality private school education. We achieve this through our experienced management team and committed staff in a convenient location and safe environment.

Since its inception in 1993 Royal Schools has enabled quality private education, always mindful of ensuring access and affordability. This track record has warranted a prominent role in the private education industry.

The last 30 years have seen Royal Schools produce powerful results. Many Royal Schools alumni hold top positions in some of South Africa's most esteemed organisations. Each school has produced consistently excellent matric results, and Royal Schools has stuck uncompromisingly to its high standards of quality education and affordability.

Royal Schools are anchored in Christian values and our behaviour is aligned with our values of putting **People** first in everything we do; living with **Integrity** by doing what we say, **Preservering** to always finish what we start and striving for **Excellence** in everything we do!

At Royal Schools you and your child are part of our family. We undertake to not only equip your child with knowledge and skills, but also to prepare them for the world out there by teaching them the values and behaviours that will make them outstanding citizens of this great country and the world.

Nelson Mandela, the father of our nation and one the greatest leaders of all times, said the following: "Education is the great engine of personal development. It is through education that the daughter of a peasant can become a doctor, that the son of a mineworker can become the head of the mine, that a child of farmworkers can become the president of a great nation. It is what we make out of what we have, not what we are given, that separates one person from another."

To learn more about Royal Schools please visit our website at www.royalschools.co.za

We look forward to welcoming you as part of the Royal Schools family.

Kind Regards, Dr. B. Fourie

School Fees shall escalate at least annually for the coming year as notified by the School Provider to Parents during the last School Term of the year or as notified at any other time by the School Provider to Parents as provided for in clause 3.5. Parents are responsible to verify the School Fees for each year and regardless of whether they receive the notice, will still be liable for the escalated School Fees.
- 3.3 If the Admission Application Form provides for alternative payment periods in respect of School Fees and the Parents have selected a particular period and thereafter wish to change to another payment period (as provided for in the Admission Application Form), they must apply through the School office to the School Providers for such change to be effected. Such proposed change will not become effective until notice of acceptance of such change is given to the Parents by, or on behalf of the School Providers.
- 3.4 In the event that the School Fees are payable in instalments and the Parents fail to pay any instalment on the due date:
- 3.4.1 the balance of the instalments, as well as any other amounts owed to the Education Provider and/or to the Facilities Provider in terms of this Contract, will automatically become immediately due and payable without any need for a notice to be given by, or on behalf of the Education

- 3.4.3 the School Providers do not have any obligation to extend any payment date, but are entitled to do so at their discretion.
- 3.5 The School Providers have the right to change the amount of the School Fees and/or the payment obligations of the Parents in respect of the School Fees on written notice to the Parents. Such notice will provide a physical address and/or an email address to which the Parents may respond if the proposed change(s) are not acceptable to the Parents in respect of a Learner. MERIT AND DEMERIT POLICY

Date of review of policy September 2024 Date of next review September 2025

Review members:

- Ms L van Vuuren Head of Human Resources
- Mrs L Moyo Head of Academics
- Mr J Smit Executive Discipline Manager

1. SCHOOL RULES

The rules of the school must be adhered to:

- When a learner is on the school premises
- During extra mural activities and school functions
- When a learner represents the school
- When a learner appears in public in school uniform.

2. DEMERIT SYSTEM

The main purpose of the Merit and Demerit system is to encourage learners to behave in line with the People; Integrity; Perseverance; and Excellence (PIPE) values of the school, thereby creating a culture of discipline and value-based education and behaviour.

The system works as follows:

- Learners start with 0 points
- All Violations and Recognitions are logged on the conduct list (d6 Plus)
- Recognitions and Violations not logged on d6 Plus will not be considered
- Recognitions are given for positive behaviours for example: "Assisting Educator"
- A learner will be given 2 verbal warnings before receiving certain Level 1 demerits/violations as indicated in the Recognition and Violation list.
- All other Level 1 to Level 3 Violations are given immediately for misconduct and negative behaviour, for example: "Homework not done"
- Violations are classified according to levels
 - Level 1 transgressions which have values of (-5;-10;-25).
 - o Level 2 transgressions which has a value of (-50): Inform parents via email or phone and the learner must attend Detention.
 - Level 3 transgressions which has a value of (-100): Disciplinary Discussion with parents.
 During this discussion, certain decisions must be made in conjunction with the parents e.g.
 Daily Conduct Assessment, Final Warning, etc. and the learner must attend 2 Detentions.
 - Level 4 transgressions which has a value of (-200): Immediate Disciplinary Hearing which could lead to 4 Detentions/Final Warning/Expulsion with Notice or Immediate Expulsion for repeat offences.
 - Level 5 transgressions which has a value of (-300): Suspension until Disciplinary Hearing which could lead to 6 Detentions with a Final Warning/Expulsion with Notice or immediate Expulsion.
- If the learner has two Level 3 transgressions it leads directly to a Disciplinary Hearing
- Recognitions and Violations are indicated separately on the Conduct Report of the learner

- Some conducts are only for informative reasons for example "Parents informed about academic issues"
- The learner must attend detention if the Violations total exceed -50 or more
- Once the learner has attended detention, "Detention attended" is automatically added to the Violations column to reduce the negative marks
- Where a learner does not attend detention without a valid reason "Bunking Detention" will be added as a Violation
- Should the Violations again exceed -50 or more, the learner must attend detention for a second time
- If the Violations of the learner exceed -50 or more, for the third time during the year, the learner must attend detention for a third time and the parent(s) must be called in for a "Disciplinary Discussion"
- Should the Violations of the learner exceed -50 or more, for the fourth time during the year, a Disciplinary Hearing will be held after the learner attended detention. In this case a disciplinary committee will decide on an outcome and an appropriate sanction.
- According to the Learner Admission Contract (LAC)
 - 6.1 The admission of the Learner as a learner at the School may be terminated in accordance with any one or more of the following sub-paragraphs, subject however always to any relevant provisions of the Schools Act –
 - 6.1.3 by the School Providers giving at least a complete School Terms notice to that effect to the Parents (the notice must be given before the commencement of the last School Term during which the Learner is to attend the School)
- For certain serious Violations a Disciplinary Discussion or Disciplinary Hearing may be held immediately. For certain transgressions a learner will be suspended until a Disciplinary Hearing is held.
- The Disciplinary Chairperson will decide on the appropriate outcome and sanction which could include, but is not limited to: Suspension, Conditional Admission, Conditional Re-Admission, Counselling, Expulsion with Notice or Immediate Expulsion
- If there are serious transgressions for example the possession of drugs, the learner will be suspended until a disciplinary hearing is held. The outcome of a serious transgression could be immediate expulsion.
- For certain transgressions, a learner will be suspended until the Disciplinary Hearing and if the sanction is suspension for the learner, the days the learner was suspended until the hearing will be subtracted from the total number of days for which the learner is suspended
- According to the Learner Admission Contract (LAC)
 - 7.6 The Parents hereby -
 - 7.6.1 confirm that the School Providers reserve the right to apply the consequences of its disciplinary policies, including the requirement for a learner to attend detention outside of normal school hours, suspension
 - and/or expulsion, irrespective of whether the Learner commits a breach of its behavioural code on or outside of the School Premises;
 - 7.6.14 confirms that if a parent and/or Learner does not adhere to the consequences of the disciplinary policies of the school, including the requirement for a learner to attend detention outside of normal school hours, the requirement for a parent to avail himself/herself for either a disciplinary discussion or a disciplinary hearing and the refusal to acknowledge by signing a
 - conditional admission and/or a final written warning given to the learner due to the outcome of a disciplinary discussion or disciplinary hearing, the admission of the Learner at the school will be terminated as it is seen as an act of breaching this Contract.
- Parents can at any time request a copy of the Code of Conduct Report of a learner
- A summary of the Code of Conduct Report will be e-mailed to all parents once a term
- Parents can appeal the outcome of a Disciplinary Hearing in writing within 7 days of the outcome of the hearing. The grounds for appeal must be clearly indicated. The outcome of an appeal can be one of the following:
