WORD FROM THE SCHOOL DIRECTOR

Dear Parents / Guardians

We have already come to the end of April! Time just seems to fly! Please remember that we are also closing for our well-deserved Midterm Break and will only be back at school on the 6th of May 2024. We really hope, as a school, that all our families will make sure that they enjoy this break as best as possible. Upon our return, we will definitely be starting the full preparation process for our upcoming exam sessions. All communication will be shared with all our parents in due course. We would like to remind our parents to remind their children during this break that they should be getting ready for this very first exam period of the year, it will be critical for all our learners to really do well! All our staff members will do their very best to prepare and be there for our learners. We will be celebrating all our moms on Mother's Day this month and treat you to something special! 12 May is Mother's Day! 29 May will also be National Elections Day where we will be exercising our democratic responsibility for the country!

Learners are referred by teacher/parent/guardian using my referral letter.

Once consent is given, counselling may begin.
