## THEME OF THE MONTHS MARCH – APRIL Anti Drugs

We have already started implementing anti-drug campaigns, education, drug searches in conjunction with law enforcement agencies, and acting strongly against learners found in possession of drugs. Please have a discussion with your children on the dangers of drug abuse and monitor their behaviour for any sudden changes.

## Term 1 Highlights

Our Grade 12 Class of 2021 achieved a 100% pass rate with a 80% Bachelor pass rate.

Our top performers were Himbotwe Mwaka and Mosegedi Phemelo with 6 distinctions each.

- We had our Grade 12 pledging ceremony where our learners set their targets for the year and also took a pledge to strive for excellence in 2022.

- Our Primary School Athletics team displayed their talent at an event held at Amberfield College where they achieved a second place overall.

- Our High School athletics team also took part in an event held at Amberfield College where they achieved many podium positions and a third place overall.

- We launched our anti-bullying campaign.

The entire school wore pink in support of this campaign.

- 21 of our Grade 12 learners were trained in first aid. The learners loved this opportunity. Our educators also attended training in health, safety and fire responding.

- All Principals and Executive principals had team building from all 5 our sister schools and got to know one another better and to build an even stronger management team through fun activities.

- Our Grade 12s did the 'anything but school bag' challenge and came to school with very creative ideas. The learners thoroughly enjoyed this challenge.

- We had various fun days for this term. Learners dressed like educators and vice versa. On Valentine's Day the entire school was filled with a sea of red and pink to celebrate all the love shared amongst us all. These were all fun, feel good initiatives that everybody enjoyed.
