# Quinton Mundell

Registered Counsellor

Email: qmundell@royalschools.co.za

## My role at Royal School Queens:

My role as a registered counsellor at Royal Schools Queens Private is to conduct psychological and preventative interventions that focus on the promotion and enhancement of psychosocial wellbeing for individuals, families and groups.

### Assessments Include:

- Intelligence
- Ability
- Aptitude
- Learning potential
- Personality
- Interest
- Study Habits
- Developmental measures
- Scholastic testing

### Therapeutic Interventions include:

- Individual Counselling
- Group Counselling
- Trauma Counselling
- Grief Counselling
- Psychoeducation and mental health promotion
- Promotion of primary psychosocial wellbeing
- Screening and identification of mental health challenges

The most rewarding thing about being a school counselor is seeing children utilize the skills I teach. I love it when students report back to me and let me know that they do not need to talk to with me anymore because they solved their own problem. It is a great feeling to know that I am equipping children with the skills to become their own self-advocates!

### Who can I see:

Learners (all ages)

### How the process works:

Learners report needing assistance to teachers

OR

Teachers / Parents become aware that a learner needs assistance.

Learners are referred by teacher / parent using my referral letter.

Once I have a referral, I will contact the parents for informed consent.

Once consent is given, therapy may begin.
