Grade 12 Prelim Examinations:

Our main focus, as always, is still on academics. This term the Grade 12s will be writing their preliminary examinations and we want to encourage all our parents to ensure that our matriculants are subjected to a suitable learning environment at all times. Preparatory examination timetable will be communicated soon.

D6 Connect:

We would like to encourage all parents to download and connect to D6 Connect. A flyer was sent on the communication platforms with guidelines and steps on how to download and connect to D6 Connect. For those parents that are encountering challenges with D6 Connect we will have a D6 Connect table during Parent's day to assist.

Google Classroom:

Google Classroom is a wonderful platform for our learners to get extra resources and to reinforce and enrich on what they learnt in class. We would like to encourage all learners to ensure they access this platform on a daily basis. You are welcome to contact the relevant subject or register teacher to ensure that your child is connected to their online Google Classrooms.

In conclusion, it is important to note that we can only have success if learners, parents and educators work together as a team. We are all looking forward to excellent results at the end of this term. #EVERYCHILDMATTERS

Kind regards

K. Walker
