## Bi-weekly Newsletter

### WORD FROM THE EXECUTIVE PRINCIPAL

As we near the end of a busy term, we reflect on all the fun we have had and what we can still look forward to. Some of the activities we have had include the Foundation Phase Winter Sports trials, Eskom Science Expo, fun with voting and our Grade 12 learners participated in an Inter-school Networking session with our sister school Royal Schools Alberton.

Our Grade 4-12 learners have a week left of exams and then we look forward to rounding off our term with Foundation Phase Winter Sports, Father's Day celebrations and pajama day.

Sincerely  
Ms S. Grieb

This event also serves as a key motivational session heading towards the May/June examinations. Guest speakers and staff covered topics such as Tertiary applications, study techniques and student wellness.

The day was ended off with some fun with sports and a lovely meal.

## Science Expo

Our Primary school and High school learners recently participated in the Eskom Science expo held at Sci-Bono. We are proud to announce that most of our participants have progressed through to the Regional round.

## Voting

Our Grade RRR-1 learners cast their votes in celebration of the recent IEC National Elections. Our little ones received ballot papers to vote for their most loved animated character. They got the full experience by casting secret votes, placing them into the ballot boxes and receiving their mark.
